

Tosca Specialist (f/m) - Vienna, Austria

Our mission is to raise the bar when it comes to software testing and meet and exceed the expectations of our customers and partners. We are growing and looking to expand our team to better service our enterprise and financial services customers. We offer a super work climate with excellent benefits.

Your Tasks

- Consulting for Swiss and international clients in Banking and/or insurance industry
- You are used to client facing work and advice
- If needed, you are able to work on multiple projects in parallel
- Cooperation with teams in Austria, Serbia and Switzerland
- Automation of test cases in TOSCA Testsuite
- Creation of requirement structures and risk weighting with Business representatives on client side
- Creation of test case design
- Designing of methodological test data
- Programming of Tool-plugins and adaptors (optional)

Our Requirements

- Minimum 4 years for project experience with TOSCA Testsuite
- Technical Tool Knowledge
- Knowledge of Visual Analytics and QA Reporting
- Proven record of multiple TOSCA projects in parallel
- Banking and Insurance know-how in testing is a must
- Willingness to travel within Switzerland and if needed also for international projects
- Fluent in German is a must, English, French and/or Serbian are a plus
- Master degree in IT or Economics
- Basic programming skills are a plus

What we Offer

- Competitive salary
- Excellent benefits
- Professional work environment
- Personal & professional development
- Challenging projects
- Innovative culture
- Work with the latest tools and technology
- High IT infrastructure standards
- A flexible and open working atmosphere
- Recognition and opportunity for advancement
- Working on projects for leading enterprises and financial services customers
