

Test Manager - Zurich, Switzerland

Our mission is to raise the bar when it comes to software testing and meet and exceed the expectations of our customers and partners. We are growing and looking to expand our team to better service our enterprise and financial services customers. We offer a super work climate with excellent benefits.

Test Manager (F/M), full-time

The primary challenge of a Test Manager is to develop the test plan and to manage the entire software testing process and deliverables in order to achieve the client goals and objectives. The Test Manager's role is crucial, since he/she will work closely with the client to thoroughly understand the goals and objectives and to meet their needs.

Your Tasks

- Implement, test and control the test process and testing deliverables
- Ensure compliance with the test strategy, testing standards and templates
- Establish, enforce and test quality gates, create test effort estimation and schedules
- Monitor test progress and provide test reporting, perform defect management
- Identify continuous improvements within the test process and manage testing risks
- Ensure appropriate specification, structural, defect and experience based test techniques
- Define test completion reports and manage the testing infrastructure
- Utilize test management and execution tools according to the test strategy
- Coach test resources, forecast resources, manage communication with Stakeholders

Our Requirements

- Several years of experience as Software Test Manager or Project Leader
- Academic degree (IT Engineer) or comparable job experience
- Abstract and analytic way of thinking
- Willingness to travel
- TOSCA Testsuite knowledge is an advantage
- Strong communication skills on all hierarchy levels
- Strong project management skills
- Fluent German and English skills (oral and written)
- Very experienced MS Office user

What we Offer

- Competitive salary
- Excellent benefits
- Professional work environment
- Personal & professional development
- Challenging projects
- Innovative culture
- Work with the latest tools and technology
- High IT infrastructure standards
- A flexible and open working atmosphere
- Recognition and opportunity for advancement
- Working on projects for leading enterprises and financial services customers

We look forward to receiving your electronic application (CV, reference letters etc.) by email to careers.ch@sixsentix.com
